Energy Tech Day 2021 Featuring Voices of Leading Experts and Highly Qualified Professionals

Energy Tech Day 2021 is a communication platform for senior management and top executives within the energy sector in Romania wanting to collaborate and discuss how to solve problems in the industry. This **LIVE EVENT** will be held on 24 June 2021 in Bucharest, once again uniting leading energy experts and highly skilled professionals to share their experiences on ground-breaking technologies, strategies, and investment programmes. 'Prospects and Challenges in the New Digital Era: Managing GHG Emissions and Energy Efficiency' is the main theme for this high-level conference.

Managing GHG Emissions

The EU aims to be climate-neutral by 2050 – an economy with net-zero greenhouse gas emissions. This objective is at the heart of the European Green Deal (EGD) and in line with the EU's commitment to global climate action under the Paris Agreement. Under the EGD, the European Commission announced a review of its energy and climate legislation to scale up emissions reductions and boost the deployment of renewables and energy efficiency.

Energy Efficiency

Energy efficiency is changing, with new digital technologies enabling greater control, optimisation and analytics. Harnessing digital technologies to enhance energy efficiency will require new policies and business models.

High-level Experts Gathering

Top national and international energy business leaders will address commercial, regulatory, geopolitical and technical challenges impacting the future of the energy industry. Other important topics which will be approached are: the European Green Deal challenges and opportunities; state-of-the-art technologies impacting each part of the value-added energy chain: sources, conversion, distribution, storage, usage; smart solutions to maximize efficiency, reduce costs and CO2 emissions; regulatory framework to stimulate innovation and investment; environmentally responsible energy uses; financing the industry.

Reasons why you shouldn't miss Energy Tech Day 2021

- Strategy & outlook presentations from important energy players
- Practical case studies & applications across the whole value chain, real-time operations and advanced analytics
- Debates on new business models, emerging technologies and culture change
- Advancing the energy transition: the role of digitalization

Limited seats available

The event, convening no more than **75 people**, will add together CEOs, CFOs, BD VPs and investors for a full day of behind-closed-doors networking and honest informal discussions.

CONFERENCE AGENDA

8:30 – 9:30 Registration and welcome coffee & refreshments by

9:30 – 9:45 **Opening remarks**

NICULAE HAVRILET – Energy Expert, **MINISTRY OF ENERGY**

NAGY-BEGE ZOLTAN – Vice President, **ANRE**

9:45 – 11:30 **SUPPORTING ROMANIA'S POST-PANDEMIC ECONOMIC RECOVERY**
New Projects and Business Opportunities for Oil & Gas up to 2030

CHRISTOPHER VEIT – Member of the Executive Board
Responsible for Upstream, **OMV PETROM**
The Importance of Gas in Energy Transition and Reaching Climate Targets

ROBERT CHIRCA – Onshore Operations Manager, **GSP HOLDING**
Let's Make History in the Black Sea!

ADRIAN STAICU – Regional Manager SE Europe, **THE SNIFFERS**
How the Gas Sector Can Approach Its Methane Emissions Management Programs Cost- Effectively in Compliance with OGMP 2.0

VASILE CARSTEA – General Manager, **DEPOGAZ**
Prospects for the Development of Underground Gas Storage Facilities in the Context of the European Transition Towards a Clean Energy

OANA IJDELEA – Partner, **IJDELEA MIHAILESCU**
The Essential Role of Natural Gas in Energy Transition

Moderator: **CATALIN NITA** – Executive Director, **FPPG**

11.30 – 12.00 Networking coffee by

12:00 – 13:30 **SUPPORTING ROMANIA'S POST-PANDEMIC ECONOMIC RECOVERY**
Clean Energy for Sustainable Development

LEONARD TRIFU – Marketing Manager, **INCDT COMOTI**
Customized Solutions for Natural Gas Exploitation and Transportation

RAZVAN COPOIU – CEO, **SIGNIFY ROMANIA & SOUTH-EAST EUROPE**
Green Switch Program from Signify for the EU Green Deal Initiative

PETRU RUSET – Managing Director, **SIEMENS ENERGY ROMANIA**
Deep Decarbonization with Hydrogen and Sector Coupling

LUKAS MALY – Product Manager, **ATLAS COPCO TOOLS EASTERN EUROPE**
Smart Connected Bolting: Taking the Smart Factory to the Field

DANIEL PINTILIE – CEO, **WATTO**
Electromobility – Risk and Opportunity for Any Integrated Energy System

Moderator: **IULIAN HARPA** – Managing Partner, **HIM PUBLIC AFFAIRS**

13:30 – 13:45 Networking coffee by

13:45 – 14:45 **SUPPORTING ROMANIA'S POST-PANDEMIC ECONOMIC RECOVERY**
Most Ground-breaking Technologies Transforming the Energy Lifecycle

CRISTIAN-NICOLAE STOINA – Member of the Supervisory Board, **HIDROELECTRICA**
Opportunities and Risks in the Digital Era – 100% Clean Energy Producer's Point of View

STEFAN POPESCU – Deputy Director for Public and Regulatory Affairs, **ENGIE ROMANIA**
European Legislative Challenges for the Energy Sector in 2021

SABIN POSEA – Business Development Director, **EXIMPROD GRUP**
Eximprod in the Smart Grid Field - Tradition Meets Innovation

STEFAN BACIU – Country Manager, **SAS ROMANIA & REPUBLIC OF MOLDOVA**
Advanced Analytics for Energy & Utilities

Moderator: **SABIN POSEA** – Business Development Director, **EXIMPROD GRUP**

14:45 - 16:00 Networking lunch by

Marketing opportunities

PARTNER € 2000

- Inclusion of logo in up to (4) four e-news blasts
- Free participation for (2) two delegates
- One presentation in any session of the conference
- Company name recognition as “Partner” in digital programme
- Company name recognition in sponsors section of the conference website as “Partner”
- Promotional material/corporate literature on the conference tables
- Company logo on the main stage backdrop
- Company logo on promotional printed conference materials
- Company Banner ups display in the conference area

LUNCH SPONSOR € 1200

- Free participation for (1) one delegate
- Inclusion of logo in up to (4) four e-news blasts
- Company name recognition as “Lunch Sponsor” in digital programme
- Company name recognition in sponsors section of the conference website as “Lunch Sponsor”
- Logo on promotional printed conference materials
- Company logo on the main stage backdrop
- Company Banner up display in the lunch area
- As sponsor of the Lunch you will have the opportunity to address the attendees during the lunch time.

COFFEE BREAK SPONSOR € 700

- Free participation for (1) one delegate
- Company name recognition as “Coffee Break Sponsor” in digital programme
- Banner up display in the coffee break area
- Company logo on the main stage backdrop
- Company name recognition in sponsors section of the conference website as “Coffee Break Sponsor”
- Promotional material/corporate literature on the coffee break tables

REGISTRATION FEE*

Standard Commercial Rate € 300 + VAT
